## *Release of Adonai's Revelations*

*"A lion has roared! Who will not fear? The Lord God has spoken! Who can but prophesy?"*  
-Amos 3:8 NKJV

### **A BUGLE CALL TO EAGLES!**

Dear Friends,

We hope this new season is keeping all of us on our toes – not only as we transition from online to offline in the external, but also, with the **NEW** that God has suddenly brought-in into our internal space.

For many of us it may be the start of a whole new venture, for some others maybe moving into new places – positionally or geographically. For still others a stellar witnessing of removal of the 'old' – from our lives (patterns, issues, ways).

How-ever we are, wherever we stand today – our confidence is that our God is faithful through and through, and He is our keeper!

ROAR too is back after a brief interlude and we are excited to bring you what we are hearing from the Lord this new season! May this word propel us into our action-grounds and encourage us to move with the wind of His spirit.

New winds are blowing across the face of the earth; over the body of Christ all over the earth.

### **THE EAGLES ARE BEING SUMMONED AT THIS TIME.**

The eagles are being called forward - to soar and take over in these new winds. The eagles are the eyes of the Church, which is holding it's position on the ground.

[Eagles are usually described as those in the body of Christ who are specifically gifted with a greater measure of the prophetic - seeing, hearing, sensing – to fulfil their role in the body. They also quite often have the Isaachar anointing over them (a knowing and interpreting of times and seasons set by the Lord). Seers, prophets and prophetic worshippers usually come under this section of the Lord's army.]

A bugle call to duty is being sounded and the eagles are to urgently report back to their duty-stations (their official position as watchmen, prophetic worshippers and intercessors).

## *Release of Adonai's Revelations*

*"A lion has roared! Who will not fear? The Lord God has spoken! Who can but prophesy?"*  
-Amos 3:8 NKJV

Regardless of what they may be personally dealing with, this call to duty is a higher mandate. These eagles are huge, fully trained, well-versed with flying and manoeuvring through the air-currents and intensely powerful. But there are many of them trying to remain in their corners; however, they are way too huge and powerful to fit into any of those corners now. The eagles have grown and those corners are not their natural domain –the sky is!

There are some who have gone through an intense 'molting season' past few months. (Molting season for eagles is the time when they shed their feathers, their vision blurs, and their beak and talons break off.) It is one of the most painful times in an eagle's life. It is a death process. Although it may seem like the end for the eagle, it is actually a renewal process that enables the eagle to lead a longer life.

***"...but those who hope in the Lord will renew their strength. They will soar on wings like eagles..."*** *Isaiah 40:31*

There are some who have been specifically trained and kept for a time like this and are being released into their combat-zones. These eagles are sharp, fierce, swift and fearless – because of EL ELYON (The Most High God) in whose domain they live and have their refuge. They are unafraid in the confidence of who He is – ABSOLUTE.

***"He who dwells in the shelter of the Most-High will rest in the shadow of the Almighty."*** *Psalm 91:1*

High above, far above all other things is the habitat of an eagle. The time for the eagles to strike – swiftly and with bold confidence has come. Storms of huge velocity will be like their playground because they have been brought up in these storms! They have mastery over them. The strong winds and storms that came to destroy, reduce and snuff them out only served as their acceleration.

## *Release of Adonai's Revelations*

*"A lion has roared! Who will not fear? The Lord God has spoken! Who can but prophesy?"  
-Amos 3:8 NKJV*

***"See, I will make you into a threshing sledge, new and sharp, with many teeth. You will thresh the mountains and crush them, and reduce the hills to chaff. You will winnow them, the wind will pick them up, and a gale will blow them away. But you will rejoice in the Lord and glory in the Holy One of Israel." (Isaiah 41:15-16)***

The eagles will navigate, lead through and traverse. They will help direct the troops for battle and conquest.

The glory of the Lord – shining, splendid, radiant, all covering – will wrap them in and surround them. The eagles will be safe, sheltered and protected within for they won't be seen, only visible will be the blinding light that surrounds them! Such a blinding cover is also a warfare technique.

From your corners, from the dying seasons, from the entanglements of the ground below – Hear the bugle call and rise up mighty eagles; for the time to soar has come!

***Awake, awake, Zion, clothe yourself with strength! Put on your garments of splendour, Jerusalem, the holy city. Isaiah 52:1***

*"Whoever has ears, let them hear what the Spirit says to the churches."*

*Revelations 2:29*
